- Improved Patient Satisfaction
- Standardized Workplace

Patient Safety:

- Eliminate Sentinel Events
- Prevent Never Events
- Create a Just Culture
- Reduce Errors
- Stop Communication Failures
- Implement the NPSG with ease
- Reduce Infections

"LifeWings improved the culture of our hospital. We function as a team. As a result, we have an excellent safety record. The employees feel empowered to speak up about their concerns. I strongly recommend this program."

William Schreiber, M.D.
Texas Spine and Joint Hospital

"LifeWings far exceeded our expectations. We have been able to get 100% buy in from our physicians and staff. I couldn't sing their praises any more. This is an excellent program."

Joan Cappelletti
Women's & Children's Service Line
Administrator Provena Saint Joseph
Medical Center

"This is the most comprehensive, common sense approach to improve health care performance I have ever seen. It is definitely worth your while—a must have."

Jane Jones
Regional Director, Quality Systems
Community Health Partners

"I have been thoroughly impressed by the scope, content and methodology of the program. We have documented improvements in OR start times, error avoidance, compliance with SCIP protocols and post-operative infection rates."

Stanley W. Marks, MD, FACS
Senior Vice-President & Chief Medical Officer
Memorial Healthcare System

"Our LifeWings training is the single most successful educational initiative I have seen implemented at our facility in my eight years on staff. I give LifeWings my complete endorsement."

Les W. Hall, M.D., F.A.C.P.
Chief Medical Officer
University of Missouri Health Care
