

Wheeling, IL, February 14, 2011 – **SUBURBAN SURGICAL CO., INC.** is pleased to announce their new partnership with the Mid-Atlantic Group Network of Shared Services (MAGNET) which is comprised of: *PhyndUs, Hospital Central Services Cooperative, Connecticut Hospital Association Shared Services Program, Joint Purchasing Corporation/Creative Source Concepts* and the *Southwest Ohio Health Care Affiliates*. This grouping is one of the oldest, largest, and most experienced shared service organizations in the country.

Suburban Surgical was awarded a three-year contract by MAGNET for their entire Healthcare product line effective immediately. The agreement provides a full range of Stock Stainless Steel Ancillary Healthcare products as well as Custom Design Solutions, all at a discount to MAGNET GPO members.

Suburban Surgical believes this partnership will help GPO members maximize their budgets, by allowing them to purchase quality stainless steel “Made in the USA” products. In addition to their extensive line of stock products ([SSCI-Hospital Stock Products](#)) including Open/Closed Carts, Mayo Stands, IV Poles, Over Instrument and Back Tables, Suburban Surgical will offer custom design solutions that could help streamline workflow, while simultaneously improving productivity.

“At Suburban Surgical, we design, engineer and manufacture all under one roof. This saves you time and money, and gets you a product you can’t wait to start using...”
