Secure, efficient document solutions from Cintas.

Security. Cintas ensures every document will be protected.

- Cintas is the first North American AAA NAID and PCI DSS compliant provider.
- Chain of custody guarantees the privacy of your documents.
- Certificate of Destruction confirms the status of your documents.
- Smartshred[®] System featuring Cintas Lockdown[™] trucks.

Efficiency. Cintas works around your schedule

- offering customized solutions that save you time and money.
- Secure, locked containers.
 - Shredding on-site or off-site.
 - Customized service schedule.
 - Reduced company time shredding = more employee productivity.

Sustainability. On

average, we help our customers recycle 250,000 tons of paper annually, which is equivalent to saving 4.25 million trees.
