Increase kitchen efficiency AND profitability

Save \$100 NOW and save THOUSANDS each year with Ecolab Equipment Care.

Extend equipment life while enhancing your bottom line.

You could reduce service repairs in your kitchen by up to \$2,000 per year with the Ecolab Preventive Maintenance Program. Experience improved equipment uptime, usage life and reduced employee training while ensuring uninterrupted revenue production. Think of it as problem solving – before problems even surface.

Fixed faster with Fast Fix™.

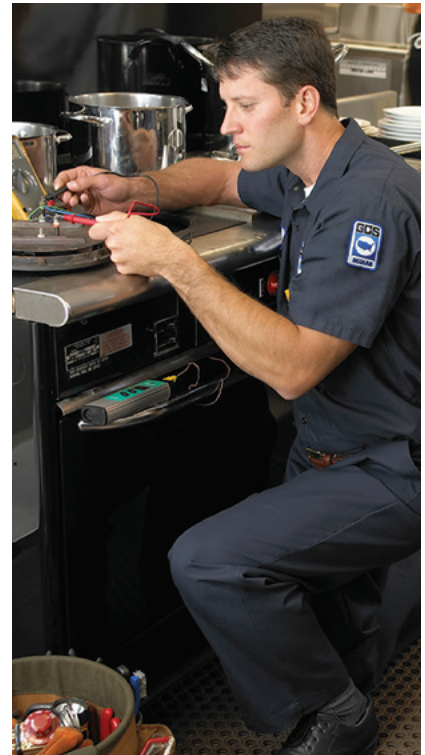

When your kitchen equipment falters, faster fixes will get you back on track. Fast Fix can reduce your service repairs by up to \$1,000 each year. That's because advanced training and savvy experience help our technicians find – and fix – everything faster, from clogged cooler coils to broken booster heaters.

Get bigger discounts for bigger savings NOW!

Get a 25% discount on your direct parts orders, PLUS a 5% labor discount on all Equipment Care visits! Start saving more today with an Ecolab Equipment Care contract agreement.
