# Cost Savings & Enhanced ROI

Across **Every** Room of the Hospital

**NEW! Reduced Prices on QuickWire Products by InnerSpace**  
*Save Money and Maximize Storage Space!*

An **economical way to solve a variety of storage needs** throughout the hospital, Stanley® InnerSpace® stationary and mobile QuickWire® storage delivers an end-to-end supply management solution, **easy-access storage**, improved **inventory visibility**, and **easy mobility**. Additionally, the open wire construction promotes air circulation and prevents dust accumulation.

- Available as shelving, carts, and high-density floor track systems
- Maximizes floor space while improving inventory tracking
- Quick to assemble and easy on your budget
- Free professional space planning assistance is available from your local InnerSpace Consultant

Ideal for clinical departments, central supply/SPD, maintenance/facility, and more! To request a sales quote with **new and improved Magnet pricing** call **800.467.7224** or visit [StanleyInnerSpace.com](http://StanleyInnerSpace.com).
